ABOUT ME

Alba is a Visual Development and Animator Artist based in Bristol. With a great passion for visual aesthetics, Alba is driven by curiosity to explore and master different techniques that blend technology with traditional animation. Alba excels at creating compelling visual narratives and has a keen eye for detail in character design, prop design. She aims to continue utilizing her skills to translate ideas into visuals that connect with the audience. Her interests extend to looking to collaborate with various musicians and diverse films that keep challenging her-self.
